Calendar Reminder

Reminder that there are no lessons this Wednesday & Thursday (April 10-11) while I am chaperoning my twins' band trip. There are no lessons over Spring Break (April 14-20). Have a wonderful vacation!

I have decided to cancel our studio recital on May 11. Be on the lookout for an Evite to a studio celebration party at my home on the weekend of May 18!

SUMMER!

Join me on the mountain in Tennessee for a week of learning and fun at the Sewanee Summer Clarinet Academy! I'm the director of this new one-week program, and we have a great week planned for clarinet students from all over the country aged 13-18. The application consists only of a short statement of your musical activities for the last few years & a short video of your playing. Bonus for my private students: the video audition is waived! Just take a short video on your phone stating your name and that you're my student, and that's it!
